

PCTC ACCOMPLISHMENT REPORT

01 – 30 JUNE 2017

The Philippine Center on Transnational Crime (PCTC) was established by virtue of Executive Order No. 62 to formulate and implement a concerted program of action of all law enforcement, intelligence and other government agencies for the prevention and control of large-scale crimes, such as drug trafficking, money laundering, arms smuggling, trafficking in persons, intellectual property rights violations, piracy on the high-seas and armed robbery on ships (PARAS), cyber-crime and terrorism.

The PCTC undertakes the following functions:

- to establish a shared central database on all transnational crimes;
- to supervise and control the conduct of all anti-transnational crime operations of all government agencies and instrumentalities;
- to establish a central database on national as well as international legislation and jurisprudence on transnational crime;
- to establish a center for strategic research on the structure and dynamics of transnational organized crime;
- to design programs and projects aimed at enhancing national capacity- building in combating transnational crime;
- to explore and coordinate information exchanges and training local and foreign counterparts;
- to enlist the assistance of any department, bureau, office, agency, or instrumentality of the government, including the use of their respective personnel, facilities and resource, and
- to perform such functions and carry out such activities as may be directed by the President.

I. OPERATIONS AGAINST TRANSNATIONAL ORGANIZED CRIMES

Pursuant to its mandate, the following significant activities were accomplished based on its four-point Program of Action, namely: a). *international cooperation* b). *capacity building* c). *information exchange* and d). *law enforcement and policy initiatives*.

A. DRUG TRAFFICKING:

NCB MANILA ISSUED PURPLE NOTICE UNDER CONTROL NO. P-648/6-2017 A MODUS OPERANDI REGARDING BJMP INTERCEPTED 110 SACHETS OF "SHABU" AT OZAMIS CITY JAIL

- On March 27, 2017, a total of 110 sachets of suspected Shabu concealed inside a Piatos snack pack were intercepted by BJMP personnel conducting rounds along the perimeter wall of Ozamis City Jail. According to JO1 Kris M. Taghoy, he noticed an object thrown at the perimeter fence. Upon checking, the object turned out to be Piatos, a local potato chips snack. When he opened the pack, he discovered pieces of white crystalline substance in transparent plastics mixed with the potato chips. The BJMP learned this kind of modus from previous experiences of their peers in other facilities that is why they are always on full alert to prevent such illegal items inside inmates' cells.

DRUG BUY-BUST OPERATION – On June 26, 2017, PCTC-EMFO conducted drug buy-bust operations at Purok Mauswagon 2, Brgy. Poblacion, Kapatagan, Lanao del Norte, which resulted to the arrest of the newly identified drug pusher identified as Jonas MARTIR

`Y Preglo alyas "long hair", 32 y/o, married, tri-sikad driver and a resident of P-Mauswagon 1, of this municipality. Confiscated from his possession were three transparent plastic sachets containing white crytalline substance believed to be "shabu" and marked money of Php 500.
